HOSPICE BY THE BAY

Hospice By The Bay's mission is to be the premiere provider of hospice and palliative care services for patients and their caregivers in need of care and support during the final stages of life. We are dedicated to promoting wellness at the end of life, as well as preventing and treating distressing symptoms or conditions that might otherwise threaten the quality of life for patients and families. We compassionately provide quality services, sensitive to the values, interest, capabilities and needs of those we serve.
